VASAI · MUMBAI SUBURBS

Extraordinary living
for extraordinary people.

A SETUONE & SOKHA REALTY DEVELOPMENT

THE UPGRADE YOU'VE EARNED

You've worked hard for this. Now let your *home show it.*

For years you've made smaller rooms work. You've climbed the stairs of an ageing building, renewed the rent agreement, and told yourself *"next year"*.

Ananta One is that next year. A modern high-rise address in Vasai where your family gets the space, safety and comfort it deserves, at a price that respects a working family's budget.

> *Not just a bigger house.*
> *A better life.*

Life on rent today

- Rent goes up with every 11-month agreement
- Agreement renewals, brokerage, shifting again
- Every rupee builds the landlord's asset
- Old building, no lift, no security
- Making do with someone else's kitchen

Life at Ananta One

- ✓ Your own address, for life
- ✓ No more packing boxes every few years
- ✓ Every EMI builds yours
- ✓ 4 lifts, CCTV, 24×7 security, generator backup
- ✓ A modular kitchen that's yours from day one

HOMES FOR EVERY STORY

Made for *extraordinary* families like yours.

From a rented room to a home of your own

For the young family that has outgrown cramped rented rooms and wants a proper home before the children grow up.

Three generations, one address

For Vasai families moving out of an older building, who want lifts, security and room for grandparents and grandchildren alike.

Your first home, not your last stop

For working couples who have rented in the suburbs long enough and want their monthly outgo to finally build their own asset.

Room for parents, room for ambition

For growing families and small-business owners who want comfort for their elders and a better address for the next generation.
